

Fast Cars And Freedom

(Gary Levox, Neil Thrasher, Wendell Mobley)

Starin' at you takin' off your makeup
Wonderin' why you even put it on
I know you think you do, but baby, you don't need it
Wish that you could see what I see when it's gone

Chorus

I see a dust trail followin' an old red Nova
Baby blue eyes and your head on my shoulder
Wait, baby don't move, right there it is
A t-shirt hangin' off a dogwood branch
That river was cold but we gave love a chance
Yeah, to me you don't look a day over fast cars and freedom
That sunset, riverbank, first time feelin' – Oh, oh, oh

Yeah, smile and shake your head as if you don't believe me
I'll just sit right here and let you take me back
I'm on that gravel road, look at me on my way to pick you up
You're standin' on the front porch lookin' just like that – remember that

(Repeat Chorus)

I see a dust trail followin' an old red Nova
Baby blue eyes, your head on my shoulder
You don't look a day over fast cars and freedom
That sunset, riverbank, first time feelin'
No, no, no you don't look a day over fast cars and freedom
Oh, that sunset, that riverbank
Oh, oh, oh, that first time feelin' – yeah, yeah, yeah, yeah
You don't look a day over fast cars and freedom
That sunset, riverbank, first time feelin'

(Fade)
